ACCESS CAPITAL ADVISERS REAPPOINTED AS INVESTMENT CONSULTANTS FOR MTAA SUPER

Access Capital Advisers is pleased to announce the signing of a five year contract with MTAA Super, a Canberra based industry super fund servicing over 285,000 members nationally.

The signing of this contract builds upon the existing contractual relationship between both organisations which was established in 1996.

"The opportunity to continue this long standing relationship and enter into a new five year agreement with MTAA Super is very important to Access. We will continue to provide exceptional investment consultancy services to MTAA Super for the best interest of the Fund and its members' said Alexander Austin, Chief Executive Officer, Access Capital Advisers.

Under the new contractual arrangements Access Capital Advisers will have responsibility for advising MTAA Super on asset allocation, currency hedging, manager configuration for listed asset classes, designing and monitoring liquidity and risk controls across alternative assets and the acquisition and management of a broad range of alternatives.
